After School Club

The schools 'Blast Off! Club' is part of our extensive Extended Schools' Provision. It is available for pupils attending the school aged from 5 to 16 to allow their parents to continue work and their careers. The sessions run from 3.30pm to 6.00pm.

There are a wide range of activities that the pupils are able to participate in and the emphasis is that it is not school! The staff who lead the session are fully qualified and registered with OfSTED.

- To have fun by creating an environment in which to make new friends and enjoy each others company
- Relieve isolation by providing opportunities to socialise with other young people who know what its like to have a brother or sister with special needs
- To acknowledge feelings and emotions through discussion and games and to share these with others
- To learn about different coping strategies and know that there are different support networks that can be tapped into
- To enhance their understanding about their brother or sister's disability
