

Professional Training

Brookfields
Specialist SEN School

What we do

Brookfields Professional Training offers a range of interesting and informative courses, workshops and training for Education, Social Services, Health Authorities and local businesses.

Our training is dynamic, stimulating, interactive and based on a wealth of experience as well as theory and current research. Our trainers have many years experience working with people with special needs and are able to draw on a wide range of backgrounds

'I have been really inspired by the course - thank you'

'The presenters were very knowledgeable and had a deep understanding'

'You have given me some great ideas to use... and it was FUN!'
