

Brookfields School – Sport premium Report 2017 to 2018

2016-2017		£8,380				
2017-2018		£16,810				
Planned Expenditure: Academic Year 2017-2018						
Desired Outcome	Chosen Action/Approach	What evidence/rationale for this choice?	How will we ensure it is implemented?	How will this be sustained?	Lead by	Cost
<i>Children to increase activity time and engage in a new exciting club “Nordic walking” to increase their “active time” and to develop their mental wellbeing.</i>	Purchase Nordic Walking poles. Tor to be trained as a Nordic walking instructor.	A new lunch club can be provided for children who struggle with activities that require interacting with other students. An activity that most students can access and will gain from.	Tor Carter will introduce the lunch club with assistant support, beginning in April 2018. This will start on the field and progress to offsite walks.	Nordic walking will be introduced into the curriculum for both primary and secondary. A lunch club will be offered at some point during each year.	Tor Carter	£504.00
<i>For all PMLD, SLD and EY’s classes and pupils with autism to access rebound in PE lessons.</i>	Purchase a new trampoline.	More classes will be able to access rebound therapy as there will be a trampoline to use in both halls.	Tor Carter will make sure all PMLD, SLD and EY’s classes’ access rebound sessions using the trampoline in both halls.	The trampoline will be timetabled to be used on a regular basis.	Tor Carter Matt Rosier Rachel	£2,500
<i>For all PMLD, SLD and EY’s classes to access rebound in their PE lessons.</i>	Train 16 members of staff to deliver rebound therapy sessions to their classes.	More classes will be able to access rebound therapy without needing PE specialist to deliver these sessions.	Tor Carter will organise the timetable with SLT for 2018 ensuring rebound trained staff are used to deliver these sessions.	Trained members of staff will be timetabled appropriately to run rebound sessions with their classes.	Tor Carter to organise training. Rebound therapy trainer to come into school Feb 8 th and 9 th 2018.	£2,265
<i>For all KS2 classes to access a 6 week</i>	Arrange a coach to deliver tennis	Pupils will be given access to a different	Tor Carter to arrange the sessions and	KS2 pupils will develop	Led by Bradfield tennis coach Dan.	£900

Brookfields School – Sport premium Report 2017 to 2018

<i>block of tennis sessions at Bradfield college.</i>	sessions with all KS2 classes over the academic year.	sport where they will develop their hand eye co-ordination along with listening and following instructions.	arrange transport/drivers.	fundamental skills throughout these sessions they can build upon in the future.		
<i>Introduce new multi skill activity sessions using “active mats” for all classes to participate in.</i>	All staff will be able to use the active mats with their classes as an extra PE session to increase their children’s activity time at school.	Pupils will develop their multi skills, have new and engaging resources to increase their activity time at school. Lesson plans are provided therefore easy for staff to deliver.	Tor Carter to lead training on the mats and then class teachers to use them on a rotation in their classes/hall when it is free (look at timetable).	Pupils will have access to the mats on a regular basis. They will be implemented into the primary curriculum and offered as lunch time clubs.	Class Teachers to lead the sessions.	£1,024
<i>To provide engaging equipment to develop physical development and gross motor skills during explore time as well as independence.</i>	To purchase Early years hollow blocks (community things)	Staff will have tools to direct pupils to develop their gross motor, problem solving, independence and physical development during explore time in Early years.	Lisa Neal to co-ordinate.	EY’s staff will use the blocks as a tool in their curriculum to deliver sessions to pupils in “explore time.”	Class Teachers to use the blocks accordingly.	£2,110
<i>To provide Year 5/6 KS2 pupils with the experience of specific game activities to prepare them for</i>	2 blocks of 6 x basketball sessions (12 weeks total) (£35.00 per session) for all year 5 and 6 pupils.	To be part of the “reach me sport” programme pilot that will be in place Sept 18-19. This will develop team work, co-operation, physical	Tor Carter to organise and co-ordinate with the basketball company.	Fundamental skills, rules and tactics learnt in these sessions can be built upon in future games based sessions.	Tor Carter and basketball coach.	£420.00

				steps on a weekly basis.		
<i>To ensure all pupils get changed for PE even if they do not have kit.</i>	PE kit	PE kit is given to pupils who have forgotten their PE kit to ensure they stay hygienic and rules about changing for PE are followed.	Tor Carter Matt Rosier	Kit will be regularly washed and stored so that pupils can borrow it if they need.	Tor Carter Matt Rosier	£65.00
<i>To make the changing rooms a more productive area.</i>	Plastic boxes, washing basket	A washing basket has been purchased so the pupils can put their washing in the basket after wearing it. The boxes have been purchased so that pupils can put their uniforms into the boxes after getting changed to help keep the changing rooms clean and prevent uniforms getting lost.	Tor Carter Matt Rosier	Plastic boxes will be kept under the benches in the boys changing rooms. I have purchased a plastic that will not easily break from dropping/throwing for sustainability.	Tor Carter Matt Rosier	£66.40
Current: £8,389.60						

Sustainability:

A number of the items purchased are used to teach fundamental skills such as agility, co-ordination and balance. These skills are essential to build upon in the future. The trampoline and rebound training has been a big part of the expenditure this year however this will be sustained as more staff will be able to lead rebound sessions releasing specialist PE Teachers to deliver more PE to all pupils across the school. Having an extra trampoline means that 2 classes and 2 members of staff are able to do “rebound therapy” at the same time. The REAL PLAY initiative has been recognised as a huge success developing relationship within the families and getting parents/carers to be more active with their children. This will be sustainable as more resource packs have been purchased therefore more families can attend the 12 week unit. The families that have already done the activities and received the resources are in contact with Marnie who is supporting the sessions therefore can reinforce the importance to keep active and playing with their children.

Brookfields School – Sport premium Report 2017 to 2018

Tor Carter – Head of PE

Swimming:

Year 6

- Swim competently, confidently and proficiently over a distance of at least 25 metres.
- Use a range of strokes effectively
- Perform safe self- rescue in different water based situations.

We have 16 Year 6 pupils at Brookfields, the majority of which are in 1 class in Key Stage 2. Of those 16, 10 pupils have the potential to develop their swimming ability beyond the use of swimming aids. 3 already are able to swim at least 25 metres while the others are progressing well and improving their swimming on their fronts and backs without the use of swimming aids. They are also improving their self-rescue techniques by floating on their backs, 7 of those 10 pupils are able to float without added assistance.

During the summer term Brookfields takes part in the RLSS Water Safety Awareness Week where pupils learn how to keep safe in and around different bodies of water. 5 of our current Year 6s attended offsite sessions to the local river and took part in class based activities to improve their knowledge of how to keep safe and what to do in an emergency.

Kelley Stone – Swimming Teacher
