All   schools   have   closed.

Coronavirus has

made some people
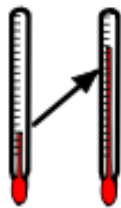

feel unwell.

Coronavirus   makes
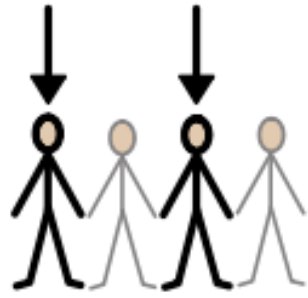

some people   feel unwell,

have a high temperature
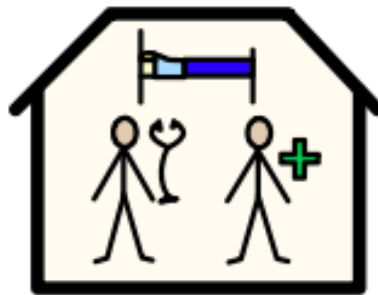

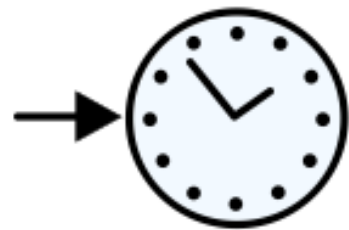

+   and   cough.

Some people   with

Coronavirus   have to
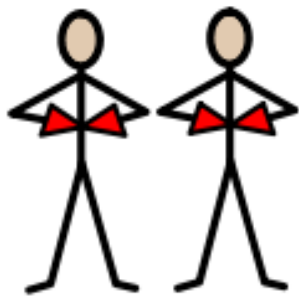

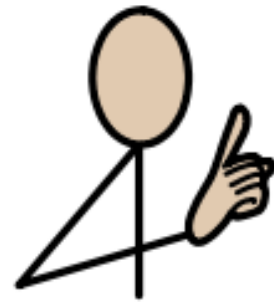

go to   hospital.

It is best to

stay at home until

people feel better.
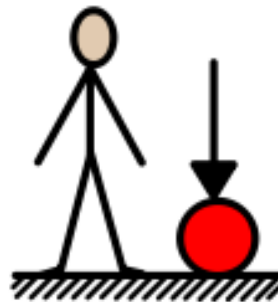

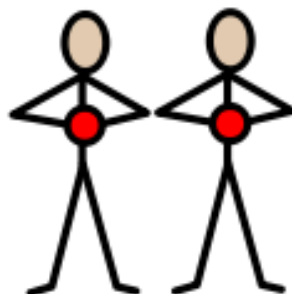

we   will   need

to   stay   inside

with   our   family.
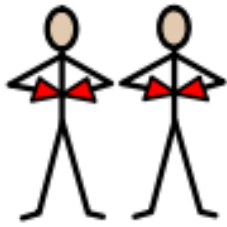

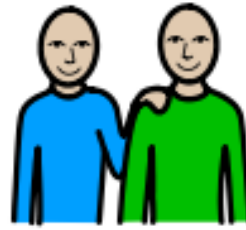

Brookfields School will

open when more

people feel better.

We can see our

teachers and friends again

when schools are open.
